**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have always been so pleased with Sonic as they have great customer support. When I need their help, I get a real person first try. I know that I could go with ATT and maybe save a few dollars (maybe not), but it isn't worth it to me. I value my time and absolutely love having Sonic. I've been with them for a very long time. I'd hate to see them be put out of business.

Please do what you can to preserve the competition in this area by keeping them around.

They really care about their customers and I don't believe the large providers give a hoot about customer satisfaction.
